Privacy Policy

This Privacy Policy defines how the "Zgadula" application (hereinafter: "the application") collects, processes, and secures users' personal data. We care about the security of your information and ensure complete transparency regarding its processing.

1. Data Controller

Any questions regarding this Privacy Policy can be directed to: hi@zgadula.app.

2. What Data Do We Collect?

Email Address:
During registration, the user provides their email address, which is the only personal information stored in our database.

Login Data:
Users log in to the application using their email address.

3. How Do We Use Your Data?

Authorization and Account Management:
Login data (email) is used solely to enable the user to log in and access the application's functionalities, including saving game progress.

5. Data Security

We take all necessary measures to ensure that users' data is adequately protected. We employ modern encryption methods and security measures that protect the data from unauthorized access.

6. User Rights

Data Deletion:
The user has the right to request the deletion of their personal data. To do so, please contact us at: hi@zgadula.app.

Privacy-Related Inquiries:
Any questions, comments, or requests related to privacy protection should be directed to: hi@zgadula.app.

7. Changes to the Privacy Policy

We reserve the right to make changes to this Privacy Policy. The current version of the document will be available in the application and on our website. We recommend regularly reviewing the policy to stay informed about any updates.

If you have any questions or need further clarification, please contact us at hi@zgadula.app.
